

RESULTS of the OFFSHORE Regatta

25—27 June 2010

Friday's race (25 June - SXM to Statia) was the only race that everyone finished—so the results are based on Friday's race:
10am Start for all boats.

Panic Attack	13.53.47	3.48.47
Too Rhum Punch	14.41.10	4.41.10
L'Esperance	14.42.38	4.33.20
Kick em Jenny	15.35.42	4.48.18

Too Rhum Punch was the only boat to finish the Sunday race—earning them a bottle of rum at prizegiving!

Kick em Jenny would also have finished Sunday's race—but they abandoned the race to come to the aid of Panic Attack when their rudder snapped. Kick em Jenny got a bottle of rum for Sportsmanship!

The last bottle of rum went to L'Esperance—also for Sportsmanship, for coming to Panic Attack's aid on Friday afternoon to help lower the mainsail—and for the tow on Saturday to Nevis when the wind completely died!

There was an error in the original calculations at PrizeGiving—but the above are the correct times.
